Find that great summer internship or full-time job that isn't part of on-campus recruiting.

Join 2,400 potential employers and 70,000 others at the industry's
premier event: Expo West – March 10-11, 2017 – Anaheim, CA.

The \$150 billion natural products industry has become a prime goal for many MBA and entrepreneurship students who are interested in triple-bottom-line companies and careers in sustainability. It's one of the few industries where you can generate value without sacrificing your values. And Expo West is the industry's showcase event.

Now you can attend Expo West for **FREE**. The MBArk program offers MBA students from around the country the chance to attend Expo West and participate in a variety of career networking activities. The \$995 fee for a show pass will be waived. Participants will need to provide their own transportation to and accommodations in Anaheim (although discounted hotel rooms and free meals will be available through MBArk).

You'll meet with leaders in the industry such as Seth Goldman, CEO of Honest Tea; Paddy Spence, CEO of Zevia; Greg Steltenpohl, CEO of Califia Farms; and Kirsten Tobey, Co-Founder of Revolution Foods; set up one-on-one meetings with the companies you want to work for; enjoy a breakfast with many CEOs, industry executives, MBA alumni and entrepreneurs; and more.

To apply, please visit www.MBArk.net and fill out the brief application under the "Apply For Expo West '17" link. **Deadline: February 3.**

Apply now through February 3 at www.MBArk.net
