ARE YOU INTERESTED IN CAREER OPPORTUNITIES IN THE MIDDLE EAST?

BCG Middle East was established in 2007 with an office in Dubai and has since grown to include offices in Abu Dhabi and Riyadh. We serve clients within a wide range of sectors including Public Sector, Energy, Financial Institutions, Telecommunications & Media, Healthcare and Industrial Goods. We work with the real decision makers in private and public sector organizations, on projects that are agenda setting, and we invest a lot of effort in auditing and measuring the value we create for our clients.

Representatives from our BCG Middle East offices will be hosting coffee chats and a presentation on career opportunities in the region.
