

## **Pan Song**

**Managing Director, Fosun Group**

***Shanghai, P.R. China***

Mr.PAN, Song is Managing Director of Fosun Group, one of the largest conglomerates in China dedicated to become one of the premium investment groups in the world. He is currently in charge of the capital investment dedicated to the emerging markets including India and ASEAN countries through private equity, venture capital, and mergers & acquisitions.

Prior to this position, he has been working as the head of its Indian operations with Shanghai Electric for more than 15 years and also taking care of global marketing. He secured the contracts (more than USD10billion) of thermal power plant projects (135MW, 300MW, 330MW, 600MW, 660MW) on the basis of EPC and Power Island Package, especially the 36X660MW ultra-supercritical BTG package in India;

He has been travelling intensively to 50 countries in South Asia (6 years stay in India), Middle East, Europe, Oceania and Americas for the marketing and sales of power generation equipment;

He is also the author of the bestseller titled “What can China learn from India: The Amazing Rising of the Superstar Indian Enterprises and its Inspiration”. In addition, Pan is a senior member of India-China Association of Economical Cooperation and Expert of Foreign Economical Cooperation accredited by Shanghai Municipality.

Pan received his EMBA from China Europe International Business School (CEIBS) and MA of International Studies from Huazhong University of Science and Technology (HUST). As guest speaker, he delivered speeches for the USA-INDIA-CHINA Program initiated by Johns Hopkins University, and on the globalization of Chinese companies to the MBA/EMBA students from Bobson College, CEIBS, Notre Dame University, and INSEAD-CEIBS CEO Programs.
